

International Women's Day Celebration

8 March 2013

The Landmark

To celebrate this year's Women's Day, several activities for the female staff were organized at The Landmark. On Thursday 7 March all The Landmark Ladies were invited to join in for a fun-filled women's lunch where they enjoyed a buffet dim sum lunch at Kabin Restaurant.

The next day, a cooking and flower contest was organized with the men of each department preparing a flower arrangement and cooking contest. This year the men had to prepare Banh Xeo, Vietnamese savory fried pancakes. Different than the previous years was that this time around everyone received the same ingredients selected by the Trade Union team. All the Banh Xeo's tasted great, the flower arrangements complimented the table setting, but of course there could only be one winner for each category. With the hard work of the men both prizes were given to the combined Departments IBC / Office / Health Club Team; having the best tasting Banh Xeo and the most beautiful flower arrangement of all teams.

- Final result Flower Contest:
- 1st prize - IBC – Health Club – Office
 - 2nd prize - Engineering Department
 - 3rd prize - Housekeeping Department
 - 4th prize - Security Department
